WHAT'S YOUR HALLOWEEN PARTY PLAN?

KNOW YOUR LIMITS & THE PEOPLE YOU'RE WITH - BUDDY SYSTEM!
Halloween is a long night. Try to moderate your drinking and drug use. Pace yourself and make sure you're in a safe area with people you trust, and keep tabs on one another!

THINK BEFORE YOU EXPERIMENT
Halloween may not be the best time to experiment with new drugs and alcohol. There are crowds, costumes, and cops that can be upsetting for someone's first time on something.

MAKE TRANSPORTATION PLANS AHEAD OF TIME
The busses WILL fill up. Make sure to have a back up plan to get from one place to another.

BE AWARE OF THE RULES & REGULATIONS - FINES TRIPLE!
Arrests are higher on Halloween, stay safe Slugs!

GOING DOWNTOWN? BE PREPARED FOR ANYTHING
10,000 participants are expected, and there is a lot of walking. Wear comfy shoes if possible.

PLEASE DO NOT DRINK AND DRIVE
